In connection with the Global Offering, ABCI Securities Company Limited, as stabilising manager (the “Stabilising Manager”), its affiliates or any person acting for it, on behalf of the Underwriters, may effect transactions with a view to stabilising or supporting the market price of the Shares at a level higher than that which might otherwise prevail in the open market for a limited period after the Listing Date. However, there is no obligation on the Stabilising Manager, its affiliates or any person acting for it, to conduct any such stabilising action, which, if commenced, will be done at the sole and absolute discretion of the Stabilising Manager, its affiliates or any person acting for it, and may be discontinued at any time. Any such stabilising activity is required to be brought to an end on the 30th day after the last day for lodging applications under the Hong Kong Public Offering. Such stabilisation action, if commenced, may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws, rules and regulatory requirements, including the Securities and Futures (Price Stabilising) Rules, as amended, made under the Securities and Futures Ordinance (Cap.571 of the Laws of Hong Kong). The details of the intended stabilisation and how it will be effected in compliance with the Securities and Futures Ordinance are set forth in the “Structure and conditions of the Global Offering” section in the Prospectus.

Potential investors should be aware that stabilising action cannot be taken to support the price of the Shares for longer than the stabilisation period which will begin on the Listing Date and is expected to expire on the 30th day after the last day for lodging applications under the Hong Kong Public Offering. After this date, no further stabilising action may be taken, demand for the Shares, and therefore the price of the Shares, could fall.
